Classes Run: Jan 21– Feb 15, 2019

[hockymca.org](http://hockymca.org)

Rev. 11/18

## ULTIMATE STEM

Each week we will explore a different element of science including building bridges, volcanoes, electronics, robotics, cooking, & rocketry. If your child is unsure about what they love about science but wants to explore, this class is the perfect fit.

COST \$55

**STACY-Thursday**

**WOODLAND-Wednesday**

---

## Hip Hop

Hip Hop class is a great strength-building and cardio workout that includes warm-up, stretching and building a vocabulary of steps and combinations. All music and movement is age-appropriate.

COST \$55

**STACY-Tuesday**

**WOODLAND –Thursday**

---

## Acting and Improv

Whether you've performed in plays forever or have never stepped on stage, this class will help students to think creatively and act confidently in front of others. We will use scripted scenes, improvised stories and games to explore the foundations of acting and improvisation.

COST \$55

**STACY-Wednesday**

## ELECTRIFY

Electricity is the most versatile energy source that we have; it is also one of the newest.

Students will work together to learn the basics of electricity and building a circuit. Activities will include making light up wands, stop lights, greeting cards, and chibi-copters. In this course, students are immersed in practical, real world examples that illustrate how electricity is

distributed and used in their homes, schools, and everyday life.

COST \$55

**WOODLAND-Tuesday**

---

## Creative Drama

### Superheroes vs Villans

Come fly up up and away through the power of imagination. Students will use a variety of drama and storytelling techniques such as tableau, pantomime an dialogue to explore the world of superheroes. Each week they will work to create and perform their own unique characters and stories.

COST \$55

**WOODLAND-Thursday**

## Animation

This class will explore the fundamental skills necessary for any young artist, animator or game concept designer. From animation concepts to film basics, we will cover as many topics as possible.

COST \$90

**STACY-Wednesday**

---

## Mixed Media Art

Kids will use their imagination while learning rue art techniques through art mediums such as paper mache, acrylics, watercolors, charcoals and more.

COST \$55

**WOODLAND-Thursday**

---

## Let's Improv!

Prepare to laugh out loud! Students will learn how to think quickly on their feet and follow their impulses through the art of improv! Using silly games, fast paced exercises and imaginations, kids will learn to love improv!

COST \$55

**WOODLAND-Tuesday**
